

# PowerZone Price List & Order Information

## License Options

- **Classroom License:** Run from CD; use any CD in one classroom at a time—one time fee, no renewal or maintenance fees.
- **Site License:** Install and run on as many computers as desired in one school—one time fee, no renewal or maintenance fees.
- **Site—6-Week License:** Use for a full 6-week period, this license is an affordable way to introduce PowerZone, observe student reactions, and validate results. The license period starts when you click [Register Now](#). At any time you may convert to another license option.
- **Site—52-Week License:** Works like a 6-Week License, but provides a full year of use and starts when you click [Register Now](#). After each year, you may renew for an additional year or convert to the Classroom or Site License option.
